International governmental and non-governmental organizations invited to sessions of UNCITRAL and its working groups

Note by the Secretariat

1. The Commission may wish to recall that, from its forty-fourth session to fiftieth session, 2011 to 2017, it heard oral reports by the secretariat about intergovernmental and non-governmental organizations invited to sessions of UNCITRAL.¹ At its forty-eighth session, in 2015, it requested the secretariat, when presenting its oral report on the topic of organizations invited to sessions of UNCITRAL, to provide comments on the manner in which invited organizations fulfilled the criteria applied by the secretariat in making its decision to invite non-governmental organizations.² At its forty-ninth session, in 2016, the Commission welcomed the detailed and informative report presented by the secretariat pursuant to that request.³ At its fiftieth session, in 2017, the Commission requested the secretariat to provide information about intergovernmental and non-governmental organizations invited to sessions of UNCITRAL in writing for future sessions.⁴ This note is presented pursuant to that request and covers the period since the start of the fifty-eighth session of UNCITRAL (Vienna, 7–23 July 2025) up to the date of this note.

2. Criteria and procedures for inviting intergovernmental and non-governmental organizations to sessions of UNCITRAL and its working groups may be found on the UNCITRAL website at <https://uncitral.un.org/en/about/faq/methods>. The list of the invited intergovernmental organizations (IGOs) and non-governmental organizations (NGOs) can be found at: <https://missions.unodc.org/missions/index.html>.⁵

3. In the period under consideration, the International Organization for Mediation (IOMed) was added in the list of IGOs invited to sessions of UNCITRAL and its working groups.

4. The UNCITRAL secretariat also considered that the following NGOs, which had requested to be invited to sessions of UNCITRAL and its working groups, met the eligibility criteria and were therefore added⁶ to the list of NGOs⁷ invited to sessions of UNCITRAL and its working groups: Latin American Arbitration Association (ALARB); and Brazilian Arbitration Committee (CBAr).

5. In addition to the NGOs invited to the sessions of Working Group III (ISDS Reform) that appear on the list of NGOs, some additional NGOs and other entities are invited to contribute to the work of that Working Group. Because of their nature or because their expertise and experience are not relevant to other areas of UNCITRAL's work, they are placed on a separate ad hoc list of NGOs and other entities invited to Working Group III. The following NGOs and other entities are not invited to annual sessions of UNCITRAL or considered for invitation to other UNCITRAL working groups. They may, however, be considered for invitation to annual sessions of the Commission at which instrument(s) related to ISDS reform will be discussed, which is the case for this fifty-ninth session.
