For detailed information on the status of each text, please consult the status table for that text, available at <https://uncitral.un.org/en/texts>.

1. Some states listed have also adopted the later amended version of the text.

2. Not yet in force.

3. Enacted in selected sub-national jurisdictions.

4. The Model Law forms the basis of or is reflected in the public procurement laws and regulations in the indicated States. These States have used the Model Law and accompanying Guide to Enactment in reforming their public procurement law and systems, though the extent to which the resulting regulatory framework incorporates the provisions of the Model Law varies, as that framework also reflects legal traditions, domestic policy and other objectives.

5. Some states have enacted a previous version of the Model Law.

6. The indicated States have used the Model Law and accompanying Guide to Enactment (and Interpretation) in reforming their cross-border insolvency law and systems, though the extent to which the resulting framework incorporates the provisions of the Model Law varies, as that framework also reflects legal traditions, domestic policy and other objectives.
