and International Settlement Agreements Resulting from Mediation adopted by the Commission at that session.\textsuperscript{5, 6}

6. At its fifty-third session, the Commission will have before it a draft guide to enactment and use of the UNCITRAL Model Law on International Commercial Mediation and International Settlement Agreements Resulting from Mediation (2018) (A/CN.9/1025).

\textbf{(b) UNCITRAL mediation rules and UNCITRAL notes on mediation}

7. At its fifty-first session, in 2018, the Commission noted that, in the area of dispute settlement, the Secretariat would prepare notes on organizing mediation proceedings and update the UNCITRAL Conciliation Rules\textsuperscript{7} in the light of the two texts finalized by the Commission at that session (the United Nations Convention on International Settlement Agreements Resulting from Mediation, adopted by the General Assembly in December 2018 \textsuperscript{8} and the UNCITRAL Model Law on International Commercial Mediation and International Settlement Agreements Resulting from Mediation (see para. 5 above)).\textsuperscript{9}

8. At its fifty-second session, in 2019, the Commission had before it the draft UNCITRAL mediation rules (A/CN.9/986) and the draft UNCITRAL notes on mediation (A/CN.9/987) prepared by the Secretariat in broad consultation with experts. At that session, acknowledging that the Commission would not be in a position to adopt the draft mediation texts at the session, it was agreed that the Commission would consider both texts at its next session, in 2020. In order to ensure that comments from States and other interested organizations would be further reflected in the drafts to be presented to the Commission at its next session, States and other interested organizations were invited to submit comments on the draft mediation texts.\textsuperscript{10}

9. At its fifty-third session, the Commission will have before it a revised draft of UNCITRAL mediation rules (A/CN.9/1026), a revised draft of UNCITRAL notes on mediation (A/CN.9/1027) and compilation of comments that the Secretariat received on those texts (A/CN.9/1031 and addendum).

\textbf{5. Consideration of a draft legislative guide on a simplified limited liability business organization for micro, small, and medium-sized enterprises}

10. At its forty-sixth session, in 2013, the Commission requested that a working group should commence work aimed at reducing the legal obstacles encountered by micro, small and medium-sized enterprises (MSMEs) throughout their life cycle, and, in particular, in developing economies.\textsuperscript{11} At that session, the Commission also agreed that such work should start with a focus on the legal questions surrounding the simplification of incorporation,\textsuperscript{12} and that the work should be allocated to Working

Group I.\textsuperscript{13} That mandate was reaffirmed by the Commission at its forty-seventh to fifty-second sessions, in 2014 to 2019, respectively.\textsuperscript{14}

11. In accordance with that mandate, the Working Group proceeded to consider the legal issues surrounding the simplification of incorporation as well as good practices in business registration, both of which aimed at reducing the legal obstacles encountered by MSMEs throughout their life cycle. At its forty-ninth session, in 2016, the Commission noted the decision of the Working Group to proceed with the preparation of a legislative guide in respect of each of those two topics.\textsuperscript{15} Following the adoption of the \textit{UNCITRAL Legislative Guide on Key Principles of a Business Registry}, in 2018,\textsuperscript{16} the Working Group continued its deliberations on the draft legislative guide on an \textit{UNCITRAL Limited Liability Organisation (UNLLO)}.

12. At its thirty-third session (Vienna, 7-11 October 2019), the Working Group completed the first review of the draft guide (as contained in working paper A/CN.9/WG.1/WP.116) (A/CN.9/1002) and was scheduled to consider a revised draft (A/CN.9/WG.1/WP.118) at its thirty-fourth session (New York, 23-27 March 2020). Due to the measures put in place by States and the United Nations in response to the spread of the coronavirus disease 2019 (COVID-19), the thirty-fourth session of the Working Group could not take place as scheduled. The Secretariat invited Governments and observer organisations to submit comments on the revised draft. The comments received are transmitted to the Commission for its consideration.

13. At its fifty-third session, the Commission will have before it the report of the thirty-third session of the Working Group (A/CN.9/1002), the revised draft as contained in document A/CN.9/WG.1/WP.118 and the compilation of comments received by the Secretariat on the revised draft (A/CN.9/1009 and addendum).

6. \textbf{Consideration of draft recommendations on insolvency of micro and small-sized enterprises (MSEs)}

14. At its forty-ninth session, in 2016, the Commission agreed that Working Group V (Insolvency Law) should develop appropriate mechanisms and solutions, focusing on both natural and legal persons engaged in commercial activity, to resolve the insolvency of MSMEs. The Commission was of the view that, while the key insolvency principles and the guidance provided by the \textit{UNCITRAL Legislative Guide on Insolvency Law} should be the starting point for discussions, the Working Group should aim to tailor the mechanisms already provided in the Legislative Guide to specifically address MSMEs and develop new and simplified mechanisms as required, taking into account the need for those mechanisms to be equitable, fast, flexible and cost efficient. It was noted at that time that the form the work might take should be decided at a later time based on the nature of the various solutions that were being developed.\textsuperscript{17}

15. After a preliminary discussion of the topic,\textsuperscript{18} the Working Group, having completed its work on enterprise group insolvency, had commenced detailed deliberations of features of a simplified insolvency regime, deciding to focus on the needs of micro and small entities (MSEs) in the first instance and deferring the

definition of such entities to States.\textsuperscript{19} At its fifty-second session, in 2019, the Commission expressed support for that work and noted that more time might be needed to make progress.\textsuperscript{20} The Commission also acknowledged the importance of coordinating the work with Working Group I and with that of the World Bank while the World Bank was updating its Principles for Effective Insolvency and Creditor/Debtor Regimes in order to deal with specific aspects of the insolvency of MSEs.\textsuperscript{21}

16. The detailed consideration of the topic proceeded at the Working Group’s fifty-sixth session (Vienna, 2-5 December 2019) on the basis of a note by the Secretariat (A/CN.9/WG.V/WP.168) (A/CN.9/1006) and was expected to continue at the fifty-seventh session of the Working Group, scheduled to take place in New York from 11 to 14 May 2020, on the basis of a revised text contained in document A/CN.9/WG.V/WP.170. Due to the measures put in place by States and the United Nations in response to the spread of the coronavirus disease 2019 (COVID-19), the fifty-seventh session of the Working Group could not take place as scheduled. The Secretariat organized informal consultations on the revised text.

17. At its fifty-third session, the Commission will have before it the report of the Working Group on the work of its fifty-sixth session (A/CN.9/1006), the revised text (A/CN.9/WG.V/WP.170) and report on the results of the informal consultations held from 11 to 15 May 2020.

7. Consideration of issues in the area of international sale of goods

(a) Approval for publication of a joint UNCITRAL-Unterroit-The Hague Conference guide on commercial contract law

18. At its forty-ninth session, in 2016, the Commission considered the “Joint proposal on cooperation in the area of international commercial contract law (with a focus on sales)” (A/CN.9/892). At that session, it was indicated that the proposal aimed at facilitating orientation in the field of uniform contract law, with a focus on sales law, by compiling relevant texts and providing a short illustration thereof, including with respect to their relationship to other texts. Thus, it was explained, the resulting guidance text could significantly contribute to the coherent adoption, interpretation and use of uniform texts, and to strengthen their underlying principles, such as freedom of contract. It was added that the exercise was intended to be carried out with the involvement of experts and within available resources and that work at the working group level was not envisaged.\textsuperscript{22}

19. At that session, after discussion, the Commission approved the “Joint proposal on cooperation in the area of international commercial contract law (with a focus on sales)” and asked the Secretariat to implement the Commission’s decision in coordination with the Hague Conference on Private International Law and with Unidroit and to report periodically on the progress of that work.\textsuperscript{23} At its fifty-second session, the Commission took note of the progress made on the preparation of the joint guidance document on commercial contract law (with a focus on sales) and urged the Secretariat to finalize it.\textsuperscript{24}

20. At its fifty-third session, the Commission will have before it a draft UNCITRAL – Unidroit – The Hague Conference legal guide to uniform legal instruments in the area of international commercial contracts (with a focus on sales) (A/CN.9/1029) and a compilation of comments on that text (A/CN.9/1030 and addenda). Commission may wish to authorize the publication of the text as a joint publication of its secretariat with Unidroit and the Hague Conference.

21. The Commission will hear an oral report on the activities planned and carried out to celebrate the fortieth anniversary of the United Nations Convention on Contracts for the International Sale of Goods (Vienna, 1980). The report will cover both the activities that have taken place as well as the status of activities that the Secretariat or outside partners had planned but had to postpone due to the measures put in place by States and the United Nations in response to the spread of the coronavirus disease 2019 (COVID-19).

8. Endorsement of texts of other organizations: Incoterms® 2020

22. The International Chamber of Commerce (ICC) requested UNCITRAL to endorse the 2020 revision of the ICC Rules for the Use of Domestic and International Trade Terms (“Incoterms® 2020”). The Commission will have before it a note by the Secretariat transmitting the request of the ICC (A/CN.9/1028). The complete text of the Incoterms® 2020 has been made available to States for their consideration in the six official languages of the United Nations in electronic form.

9. Coordination and cooperation

23. The Commission will be informed by a note of the Secretariat about activities undertaken by the Secretariat since the Commission’s previous session to ensure coordination with the work of other organizations active in the field of international trade law (A/CN.9/1018).

24. Representatives of international organizations will be given an opportunity to apprise the Commission of their current activities and possible means of strengthening cooperation with UNCITRAL.

25. The Commission may wish to recall that from its forty-fourth to fiftieth session, in 2011 to 2017, it heard oral reports by the Secretariat about intergovernmental and non-governmental organizations invited to sessions of UNCITRAL. At its forty-eighth session, in 2015, the Commission requested the Secretariat, when presenting its oral report on the topic of organizations invited to sessions of UNCITRAL, to provide comments on the manner in which invited organizations fulfilled the criteria applied by the Secretariat in making its decision to invite non-governmental organizations. At its forty-ninth session, in 2016, the Commission welcomed the detailed and informative report presented by the Secretariat pursuant to that request. At its fiftieth session, in 2017, the Commission requested the Secretariat to provide information about intergovernmental and non-governmental organizations invited to sessions of UNCITRAL in writing for future sessions. Pursuant to that request, the Commission had before it at its fifty-first and fifty-second sessions, in 2018 and 2019, respectively, notes by the Secretariat on international governmental and non-governmental organizations invited to sessions

10. Progress report of working groups

(a) Working Group I (MSMEs)

26. In addition to the current work on the draft legislative guide on a simplified limited liability business organization for micro, small, and medium-sized enterprises (see paras. 10-13), at its fifty-second session, in 2019, the Commission agreed to strengthen and complete its work on reducing the legal obstacles faced by MSMEs throughout their life cycles by requesting the Secretariat to start preparing draft materials on MSME access to credit. It was agreed that the materials should draw as appropriate on the relevant recommendations and guidance contained in the UNCITRAL Model Law on Secured Transactions and be submitted for consideration to Working Group I in due course.

27. The Working Group was scheduled to consider a note by the Secretariat on the subject (A/CN.9/WG.I/WP.119) at its thirty-fourth session (New York, 23-27 March 2020), which did not take place (see para. 12 above). At its fifty-third session, the Commission may hear an oral report by the Secretariat on progress made so far on the subject.

(b) Working Group II (Dispute Settlement)

28. At its fifty-first session, in 2018, the Commission heard a proposal for possible future work in the field of dispute resolution, in particular on expedited arbitration (A/CN.9/959) and agreed that Working Group II should be mandated to take up issues relating to expedited arbitration. At its seventieth session (Vienna, 23–27 September 2019), the Working Group commenced its consideration of the draft provisions on expedited arbitration and requested the Secretariat to update the draft provisions based on the deliberations, illustrating how they could appear as an appendix to the UNCITRAL Arbitration Rules and also how those provisions could be presented in a stand-alone set of rules on expedited arbitration. At its seventy-first session (New York, 3-7 February 2020), the Working Group continued its consideration of the draft provisions on expedited arbitration and requested the Secretariat to prepare a revised draft as they would appear as an appendix to the UNCITRAL Arbitration Rules, without prejudice to the final presentation of the expedited arbitration provisions. In addition, the Secretariat was requested to address the interaction between the expedited arbitration provisions and the UNCITRAL Arbitration Rules and to provide an overview of the different time frames that would be applicable in expedited arbitration.

29. At its fifty-third session, the Commission will have before it the reports of the Working Group on the work of its seventieth and seventy-first sessions (A/CN.9/1003 and A/CN.9/1010).

(c) Working Group III (ISDS Reform)

30. At its fiftieth session, in 2017, the Commission entrusted Working Group III with a broad mandate to work on the possible reform of investor-State dispute settlement (ISDS), and in particular: (a) to identify and consider concerns regarding ISDS; (b) to consider whether reform was desirable in light of any identified concerns; and (c) if the Working Group were to conclude that reform was desirable, to develop any relevant solutions to be recommended to the Commission.

31. At its thirty-sixth session (Vienna, 29 October – 2 November 2018), the Working Group concluded that development of reforms by UNCITRAL was desirable.

to address concerns relating to cost and duration of ISDS, the appointment mechanism and related issues regarding arbitrators and decision makers, as well as the lack of consistency, coherence, predictability and correctness of decisions by ISDS tribunals (A/CN.9/964, paras. 43, 53, 63, 83, 90, 98, 108, 123 and 133). At its thirty-seventh session (New York, 1–5 April 2019), the Working Group concluded that development of reforms by UNCITRAL was desirable to address concerns relating to third-party funding and also concluded that there was no additional concern that could be identified with regard to ISDS at the current stage of its deliberations (A/CN.9/970, paras. 25, 39 and 40).

32. At its thirty-eighth session (Vienna, 14-18 October 2019), the Working Group commenced work on phase three of its mandate, the development of relevant solutions, by agreeing on a project schedule aimed at considering multiple potential reform options simultaneously and at furthering the elaboration and development of potential solutions to be recommended to the Commission (A/CN.9/1004, paras. 25, 27 and 104). Accordingly, the Working Group considered at its thirty-eighth and resumed thirty-eighth (Vienna, 20-24 January 2020) sessions the following reform options: (a) establishment of an advisory centre (A/CN.9/1004, paras. 28-50); (b) code of conduct (A/CN.9/1004, paras. 51-78); (c) third-party funding (A/CN.9/1004, paras. 79-98); (d) appellate mechanisms (A/CN.9/1004/Add.1, paras. 16-61); (e) enforcement issues (A/CN.9/1004/Add.1, paras. 62-81); (f) financing of a permanent body (A/CN.9/1004/Add.1, paras. 82-94); (g) selection and appointment of ISDS tribunal members (A/CN.9/1004/Add.1, paras. 95-133). The Working Group concluded that preparatory work should be undertaken on each of these options, including further research and draft provisions for relevant instruments.

33. Due to the measures put in place by States and the United Nations in response to the spread of the coronavirus disease 2019 (COVID-19), the thirty-ninth session of the Working Group (New York, 30 March-3 April 2020) could not take place as scheduled. The Secretariat organized webinars and other events and consultations.

34. At its fifty-third session, the Commission will have before it the reports of the thirty-eighth and resumed thirty-eighth sessions of the Working Group (A/CN.9/1004 and A/CN.9/1004/Add.1) and may hear an oral report on the results of the above-mentioned consultations. Considering that Working Group III had entered its third phase of work of developing relevant solutions to be recommended to the Commission and that it had decided to develop multiple reforms solutions simultaneously, the Commission may wish to consider the resource requirements of the Working Group in order for it to present the reform solutions to the Commission in a reasonable time period. To that end, the Commission will have before it a note by the Secretariat, which supplements the information provided to Working Group III (document A/CN.9/WG.III/ WP.158) on options for implementing a work plan (A/CN.9/1011; see para. 43 below). Based on that note, the Commission may wish to make recommendation(s) to the General Assembly to allocate the required resources in 2021 and onwards.

(d) Working Group IV (Electronic Commerce)

35. At its fifty-first session, in 2018, the Commission requested Working Group IV to conduct work on legal issues relating to identity management (IdM) and trust services with a view to preparing a text aimed at facilitating cross-border recognition of IdM and trust services, on the basis of the principles and issues identified by the Working Group at its fifty-sixth session (A/CN.9/936, paras. 61–94).  

36. At its fifty-second session, in 2019, the Commission expressed its satisfaction with the progress made by the Working Group and encouraged the Working Group to continue its work on the basis of the revised set of provisions to be prepared by the

33 Ibid., Seventy-third Session, Supplement No. 17 (A/73/17), para. 159.
The Commission also noted that, at this early stage of the project, the Working Group should work towards an instrument that could apply to both domestic and cross-border use of IdM and trust services, and that the outcome of the work had implications for matters beyond commercial transactions. The Working Group considered legal aspects of IdM and trust services at its fifty-ninth (Vienna, 25–29 November 2019) session. Due to the measures put in place by States and the United Nations in response to the spread of the coronavirus disease 2019 (COVID-19), the sixtieth session of the Working Group (New York, 6–9 April 2020) could not take place as scheduled.

At its fifty-third session, the Commission will have before it the report of the Working Group on the work of its fifty-ninth session (A/CN.9/1005) and hear an oral report on the consultations conducted by the Secretariat on the revised draft that had been prepared for the sixtieth session of the Working Group.

(e) **Working Group V (Insolvency Law)**

39. See paragraphs 14-17 above.

(f) **Working Group VI (Judicial Sale of Ships)**

40. At its fifty-second session, in 2019, the Commission noted the ongoing work within Working Group VI on a draft instrument on the judicial sale of ships known as the “Beijing Draft.” The Working Group continued its deliberations at its thirty-sixth session (Vienna, 18-22 November 2019) on the basis of a first revision of the Beijing Draft, which had been prepared by the Secretariat to incorporate the discussions and decisions at its thirty-fifth session (A/CN.9/WG.VI/WP.84). In response to the wish expressed at the fifty-second session of the Commission, the Working Group paid special attention to definitional issues (A/CN.9/1007, paras. 11-33) and the scope of the instrument (ibid., paras. 34-42) with the Working Group expressing a preliminary view that the instrument should take the form of a convention (ibid., para. 99).

42. At its fifty-third session, the Commission will have before it the report of the Working Group on the work of its thirty-sixth session (A/CN.9/1007).

11. **Work programme of the Commission**

43. At its forty-sixth session, in 2013, the Commission agreed that it should reserve time for discussion of future work as a separate topic at each Commission session. Under this agenda item, the Commission will have before it: (a) a note by the Secretariat giving a general overview of the work programme of the Commission and of its working groups and secretariat (A/CN.9/1016); (b) a report of the UNCITRAL Colloquium on Civil Asset Tracing and Recovery (A/CN.9/1008), held on 6 December 2019 further to a decision of the Commission at its fifty-second session, in 2019; (c) a note by the Secretariat on the progress made in its exploratory work on legal issues of digital economy (A/CN.9/1012 and addenda); (d) a note by the Secretariat on the progress made in its exploratory work on legal issues of warehouse

44. The Commission may wish to note that, due to the measures put in place by States and the United Nations in response to the spread of the coronavirus disease 2019 (COVID-19), the International Colloquium on Applicable Law in Insolvency Proceedings could not take place on 15 May 2020 as scheduled further to a decision of the Commission at its fifty-second session, in 2019.\textsuperscript{44} The Commission may wish to consider rescheduling the Colloquium for 11 December 2020 using the entitlement of Working Group V (Insolvency Law) (see the table following para. 49 below).

12. Date and place of future meetings

\textit{Fifty-fourth session of the Commission}

45. The Commission may wish to note that its fifty-fourth session will be held in Vienna. Tentative arrangements have been made for the session to be held from 28 June to 16 July 2021. The Commission may wish to recall that, at its fifty-second session, it confirmed its understanding that two-week sessions would generally be sufficient and that the duration of each annual session was to be determined on a case-by-case basis depending on the expected workload.\textsuperscript{45}

\textit{Sessions of working groups}

46. At its thirty-sixth session, in 2003, the Commission agreed that: (a) working groups should normally meet for a one-week session twice a year; (b) extra time, if required, could be allocated from the unused entitlement of another working group provided that such arrangement would not result in the increase of the total number of 12 weeks of conference services per year currently allotted to sessions of all six working groups of the Commission; and (c) if any request by a working group for extra time would result in the increase of the 12-week allotment, it should be reviewed by the Commission, with proper justification being given by that working group regarding the reasons for which a change in the meeting pattern was needed.\textsuperscript{46}

47. At its fifty-second session, in 2019, the Commission decided that extra time for conference services, if required, could also be allocated to working groups from the unused time of the Commission session.\textsuperscript{47} It confirmed that requests by working groups for additional time for conference services would be considered by the Commission on a case-by-case basis, taking into account the needs of the requesting working group, the needs of other working groups and the other needs of the Commission at the given time, and taking into account the views of all member States of UNCITRAL. The Commission also confirmed that the request from a working group should not by itself be treated as a sufficient ground for granting the request; in each case, the request had to be properly substantiated.\textsuperscript{48}

48. At its fiftieth session, in 2017, the Commission took note of General Assembly resolutions on the pattern of conferences promulgating policies as regards significant holidays, on which the United Nations Headquarters and the Vienna International Centre remained open but United Nations bodies were invited to avoid holding

meetings. The Commission agreed to take into account those policies as far as possible when considering the dates of its future meetings. 49

49. The Commission is expected to consider conference service requirements in the light of its work programme, reports of its working groups and a note by the Secretariat (A/CN.9/1011, see paras. 34 and 43 above), taking into account that dates proposed below include the following significant holidays of the United Nations: 28 September 2020 – Yom Kippur (falls on the first day of the thirty-fourth session of Working Group I); and 19 November 2021 – Gurpurab (would fall on the last day of the tentative dates of the forty-first session of Working Group III).

13. **Secretariat reports on non-legislative activities**

50. As requested by the Commission at its fifty-first session, in 2018, the Commission will have before it for information notes by the Secretariat on: (a) promotion of ways and means of ensuring a uniform interpretation and application of UNCITRAL legal texts (CLOUT and digests) (A/CN.9/1017); (b) technical assistance and cooperation activities (A/CN.9/1032); (c) strategic framework for technical assistance and cooperation activities (A/CN.9/1033); (d) the report of the Regional Centre for Asia and the Pacific (A/CN.9/1024); (e) status of conventions and model laws (A/CN.9/1020); (f) the pilot operation of the repository of published information under the UNCITRAL Rules on Transparency in Treaty-based Investor-

State Arbitration and the way forward (A/CN.9/1015); (g) relevant General Assembly resolutions (A/CN.9/1021); (h) the role of UNCITRAL in promoting the rule of law at the national and international levels (A/CN.9/1022); and (i) bibliography of recent writings related to the work of UNCITRAL (A/CN.9/1019).

51. The Secretariat is planning to organize a panel discussion with participation of States using UNCITRAL texts and partner organizations in UNCITRAL technical assistance and cooperation activities. That panel would aim at informing the Commission about practices and tools available to support the use and implementation of the UNCITRAL texts, and lessons learned, best practices and challenges in the activities undertaken. The objective is to allow the Commission to explore possible ways of enhancing technical assistance and cooperation activities.

52. Pursuant to the requests of the Commission, the Secretariat will keep the Commission informed of developments regarding the establishment of UNCITRAL regional centres, in particular their funding and budgetary situation.

53. Pursuant to the requests of the General Assembly and the Commission, the Secretariat will inform the Commission about developments regarding the funding and budgetary situation of the repository of published information under the Rules on Transparency in Treaty-based Investor-State Arbitration. Being operated as a pilot project until the end of 2020, it is funded entirely by voluntary contributions (the Fund for International Development of the Organization of the Petroleum Exporting Countries and the European Commission). The Commission may wish to consider the status of the project and the way forward on the basis of a note by the Secretariat (A/CN.9/1015).

14. Other business

(a) Enlargement of UNCITRAL membership

54. At its fifty-second session, in 2018, the Commission received a proposal by the Governments of Israel and Japan for enlarging the membership of UNCITRAL. At that session, the Commission noted many issues that remained open in relation to the proposal, encouraged its member States to consult with each other and other interested States on the proposal during the intersessional period and requested the Secretariat to facilitate those intersessional consultations.

55. At its fifty-third session, in 2019, the Commission may expect to receive a report on the progress made during the intersessional consultations on the proposal.

(b) Evaluation of the role of the UNCITRAL secretariat in facilitating the work of the Commission

56. At its fifty-second session, the Commission recalled that “facilitating the work of UNCITRAL” had been listed among the expected accomplishments of the UNCITRAL secretariat in the old budgetary framework and the performance metric for that expected accomplishment had been the level of satisfaction of UNCITRAL with the services provided by its secretariat, as evidenced by a rating on a scale ranging from 1 to 5 (5 being the highest rating). At that session, the Commission also recalled that the Secretariat had in the past circulated an evaluation questionnaire to elicit evaluation from States. The Commission was further informed at the session that, although continuing that practice was no longer necessary as a result of changes introduced in the budgetary framework, the UNCITRAL secretariat intended to

continue circulating a questionnaire during the sessions of UNCITRAL for self-evaluation.\footnote{Ibid., para. 320.}

57. At the fifty-third session of the Commission, States will be requested to fill in an evaluation questionnaire that will be circulated during the session, and the Commission may expect to hear an oral report from the Secretariat on the number of responses received and the level of satisfaction with the services provided to UNCITRAL by the UNCITRAL secretariat indicated in those responses.

(c) Other matters

58. The Commission may wish to consider possible other matters under this agenda item.

15. Adoption of the report of the Commission

59. The General Assembly, in its resolution 2205 (XXI) of 17 December 1966, decided that the Commission should submit an annual report to it and that the report should be submitted simultaneously to the United Nations Conference on Trade and Development for comments. Pursuant to a decision of the Sixth Committee,\footnote{Ibid., Twenty-third Session, annexes, agenda item 88, document A/7408, para. 3.} the report of the Commission is introduced to the General Assembly by the chairperson of the Commission or by another officer designated by the chairperson.

III. Scheduling of meetings and documentation

60. Meetings will be held from 10 a.m. to 1 p.m. and from 2 p.m. to 5 p.m., except on Monday, 6 July, when the morning meeting will commence at 10:30 a.m. (see para. 1 above).

61. UNCITRAL documents are posted on the UNCITRAL website (uncitral.un.org) upon their issuance in all the official languages of the United Nations. Delegates may wish to check the availability of the documents for the fifty-third session by accessing the page of the Commission in the “Working Documents” section of the UNCITRAL website (uncitral.un.org).

62. The recommendations on the scheduling of meetings under each agenda item in chapter I above are intended to assist States and invited organizations in planning the attendance of their pertinent representatives; the actual scheduling will be determined by the Commission itself.
