1/ Report of the United Nations Commission on International Trade Law on the work of its fourteenth session (1981), Official Records of the General Assembly, Thirty-sixth session, Supplement No. 17 (A/36/17), para. 70.

The Commission, at its fifteenth session (New York, 26 July - 6 August 1982), took note of the report of the Working Group on the work of its third session (A/CN.9/216) and expressed its appreciation to the Chairman of the Working Group, Mr. Iván Szasz. <sup>2/</sup> It noted that the Working Group had discussed all but three questions set forth in a Working Paper prepared by the Secretariat (A/CN.9/WG.II/WP.35). It was understood that the list of issues dealt with in that Working Paper, to which the Working Group had added some more issues to be possibly included in the model law, was not to be regarded as exhaustive but that the Working Group should be open to any further suggestions for inclusion of yet other issues. It was suggested in particular that the Working Group should consider such issues as the relevance of limitation of actions in the context of arbitration proceedings and the time period during which arbitral awards would be enforceable.

The Commission requested the Working Group to proceed with its work expeditiously and authorized it to hold its fourth session from 4 to 15 October 1982 at Vienna and its fifth session from 22 February to 4 March 1983 in New York. <sup>3/</sup>

Item 1. Election of officers

The Working Group, in accordance with normal practice, may wish to elect a Chairman and a Rapporteur.

Item 3. Consideration of possible features and of draft articles of a model law on international commercial arbitration

The Working Group may wish to

(a) complete its consideration of a note by the Secretariat entitled "Possible features of a model law on international commercial arbitration: Questions for discussion by the Working Group" (A/CN.9/WG.II/WP.35). The subject-matter still to be discussed is "Setting aside or annulment of award (and similar procedures)" which is dealt with in questions 6-6 to 6-9 of that note;

(b) consider draft articles of a model law on international commercial arbitration prepared by the Secretariat (A/CN.9/WG.II/WP.37 and 38).

Item 5. Adoption of the report

The Working Group may wish to adopt, at the close of its session, a progress report for submission to the sixteenth session of the Commission (to be held from 24 May to 3 June 1983 at Vienna).

The session of the Working Group will take place from 4 to 15 October 1982 at the Vienna International Centre. Meetings will be scheduled from 4 to 8 October, 11 to 13 October and 15 October 1982.
