

59th session of UNCITRAL Working Group V (Insolvency Law)
Information sheet for delegations

Organization of the session

Session dates: 13 to 17 December 2021

Meeting hours (CET winter time):

11:00-13:00	15:00-17:00
-------------	-------------

Format of participation:

- In person, at the Vienna International Centre (Boardroom D, 4th floor); or
- Remotely via the *Interprefy* platform (a link to the platform will be communicated to registered participants via email on 10 December 2021. An *Interprefy* practice and information session will take place on 6 December 2021. The link to that practice and information session will be circulated on 3 December to delegates and observers registered by that date, including those registered for in-person participation).

Documentation: Working papers (WPs. 174, 175 and 176), an annotated provisional agenda for the session and a letter from the Chair of the Working Group on the organization of the session are available on the web page of Working Group V ([here](#)). (WP.174 is available at this stage only as an advance copy in English. The Document Management Unit advises that this document is expected to be out in the six languages not earlier than 1 December 2021).

Indicative scheduling for the session

Monday: A/CN.9/WG.V/WP.174

Tuesday and Wednesday: A/CN.9/WG.V/WP.175

Thursday and Friday: A/CN.9/WG.V/WP.176

Delegations are requested to make concise interventions **not exceeding 3 minutes** on any particular issue.

Please refer to the [Letter from the Chair](#).

Important notice

The lockdown in place in Austria from Monday, 22 November 2021, is not expected to affect the arrangements for the session announced previously. Delegates and observers registered for in-person participation will be informed about the requirements applicable to their participation at the session closer to the dates of the session. Those travelling should acquaint themselves with additional travel and related restrictions that may be imposed by the Austrian Government. The current information on entry into Austria and pre-travel clearance is available [here](#) in English.
