**United Nations Commission on  
International Trade Law  
Fifty-ninth session****Colloquium on harmonizing law in the age of digital trade  
and finance (New York, 10–13 February 2026)****Programme**

1. The colloquium is being held from 10 to 13 February at United Nations Headquarters, New York. The venue for the colloquium is Conference Room 2. Meeting hours are 10 a.m. to 1 p.m. and from 3 to 6 p.m.
2. The purpose of the colloquium is to advance exploratory work by UNCITRAL on two distinct yet related topics, namely (i) secured transactions using new types of assets and (ii) digital platforms and private law. It is organized in two consecutive “streams”; stream 1 (10–11 February 2026) on the first topic, stream 2 (12–13 February 2026) on the second topic. The background and objectives of UNCITRAL’s work on these topics, as well as an overview of the colloquium, is set out in [A/CN.9/1258](#).

**Day 1 – Tuesday, 10 February 2026**

<i>Time</i>	<i>Item</i>
10 a.m.– 10.15 a.m.	Opening remarks <b>Ms. Anna JOUBIN-BRET</b> , Secretary of UNCITRAL
10.15 a.m.– 11.30 a.m.	Panel 1 – <i>Understanding digital assets: Concepts and global perspectives</i>  This panel explores the notion of digital assets and the various forms they may take in practice, including those represented or managed through distributed ledger or other digital technologies. The panel will consider global trends in how digital assets are defined and approached in different legal systems. Speakers will connect these developments and reflect on their implications for secured transactions frameworks.  <i>Moderator</i>  <b>Mr. Jae Sung LEE</b> , Principal Legal Officer, UNCITRAL secretariat  <i>Speakers</i>  - <b>Ms. Louise GULLIFER</b> , Professor, University of Cambridge* - <b>Mr. Manuel ALBA FERNÁNDEZ</b> , Associate Professor, Universidad Carlos III de Madrid

- **Mr. Conner BROWN**, Head of Strategy, Bitcoin Policy Institute (BPI)

11.45 a.m.–  
1 p.m.

Panel 2 – *Secured transactions reforms: Updates from States and international organizations*

This panel offers an update of initiatives to reform secured transactions frameworks, drawing on insights from both national reform processes and the work of international organizations. Speakers will reflect on the practical issues that arise when modernizing legislation, as well as the improvements these reforms generate in terms of access to finance and legal predictability. The discussion will also consider new developments and forward-looking practices that are shaping how secured transactions laws adapt to evolving commercial realities, in particular digital assets.

*Moderator*

**Ms. Monica CANAFOGLIA**, Legal Officer, UNCITRAL secretariat

*Speakers*

- **H.E. Mr. Sarakmony BUON**, Secretary of State, Ministry of Commerce, Cambodia

*Lunch break*

3 p.m.–  
4.15 p.m.

Panel 3 – *Possible updates to the UNCITRAL Model Law on Secured Transactions*

This panel looks at potential updates to the UNCITRAL Model Law on Secured Transactions in light of the emergence of new asset types. The discussion will consider areas in which the Model Law could evolve – such as the treatment of digital assets as collateral, the possible application of existing priority rules, and whether any adjustments to enforcement provisions may be appropriate – while maintaining the Model Law’s scope and underlying approach. The speakers will explore whether targeted revisions or supplements to the Model Law could help ensure that the instrument continues to meet the needs of modern secured transactions frameworks.

*Moderator*

**Mr. Spyridon BAZINAS**, Consultant and Lecturer, Center for International Legal Studies

*Speakers*

- **Mr. Neil B. COHEN**, 1901 Distinguished Research Professor of Law, Brooklyn Law School

## Day 2 – Wednesday, 11 February 2026

<i>Time</i>	<i>Item</i>
10 a.m.– 11.15 a.m.	<p>Panel 5 – <i>Digital platforms for transactions and assets-based registries</i></p> <p>This panel will examine the role of digital platforms in supporting modern secured transactions. It will explore how such tools can facilitate asset transfers, the creation and publicization of security rights, and the availability of reliable information for market participants. The discussion will also look at emerging approaches to interoperability between general security rights registries and asset specific registries, as well as the opportunities and challenges posed by increasingly complex digital ecosystems. Finally, the panel will consider how these developments may influence future registry design and the broader secured transactions framework.</p> <p><i>Moderator</i></p> <p><b>Mr. Alexander KUNZELMANN</b>, Legal Officer, UNCITRAL secretariat</p> <p><i>Speakers</i></p> <ul style="list-style-type: none"> <li>- <b>Ms. Racheal MULDOON</b>, Partner, Ogier and Member, International Women’s Insolvency and Restructuring Confederation (IWIRC)</li> <li>- <b>Mr. Stéphane GRABER</b>, Director General, International Federation of Freight Forwarders Associations (FIATA)</li> <li>- <b>Mr. Bob TROJAN</b>, Senior Advisor, International Law Institute</li> <li>- <b>Mr. Bam AZIZI</b>, Co-Founder, Mesh Connect, Inc.</li> <li>- <b>Ms. Megha Shah</b>, Enterprise Sales Director, USA Trademo</li> <li>- <b>Ms. Lidiya MIKHEEVA</b>, Head, Private Law Research Centre*</li> </ul>
11.30 a.m.– 1 p.m.	<p>Panel 6 – <i>Enforcement of security rights and conflict of law issues in the digital context</i></p> <p>This panel considers how enforcement mechanisms and conflict of laws rules relating to secured transactions may need to adjust to assets that exist in digital form or are held or transferred through digital systems. The discussion will touch on challenges that can arise in this context – such as exercising post default rights, addressing cross border elements of enforcement, and determining the law applicable to issues of creation, third party effectiveness, priority and enforcement when assets or platforms operate across multiple jurisdictions. Speakers will also reflect on emerging approaches and practices that could support effective enforcement and dispute resolution involving digital assets.</p> <p><i>Moderator</i></p> <p><b>Ms. Teresa RODRÍGUEZ DE LAS HERAS BALLELL</b>, Full Professor of Commercial Law, Universidad Carlos III de Madrid</p> <p><i>Speakers</i></p> <ul style="list-style-type: none"> <li>- <b>Ms. Caroline KLEINER</b>, Professeur de droit privé, Université Paris Cité, Chair of the HCCH Experts’ Group on CBDCs*</li> <li>- <b>Mr. Woo-Jung JON</b>, Assistant Professor, Korea Advanced Institute of Science and Technology - <b>Mr. Neil B.
