
**Operationalization of the Advisory Centre on
International Investment Dispute Resolution**

Annotated provisional agenda

I. Introduction

1. In 2024, the United Nations Commission on International Trade Law (“UNCITRAL” or the “Commission”) finalized and adopted in principle the Statute of the Advisory Centre on International Investment Dispute Resolution (the “Advisory Centre”).¹ The Statute, which consists of 16 articles, sets forth rules on the creation of the Advisory Centre, its objectives, general principles of operation, membership, governance structure, services, financing, legal status and liability and other related issues.²
2. When adopting the Statute in principle, the Commission agreed that the operationalization of the Advisory Centre would require further preparatory work.³
3. The Commission agreed that the basis of the preparatory work should be the Statute and that the work could address issues such as: (a) ways to establish the Advisory Centre within the United Nations system based entirely on extrabudgetary resources; (b) criteria for determining the location of the headquarters and regional offices; (c) the anticipated budget based on potential membership and workload, and the need to ensure sustainable operations; (d) the amount of contributions by Members and methods of payment; (e) objective criteria for classifying States in the annexes; (f) thresholds of membership and contributions for the entry into force of the Statute; and (g) decisions, rules and regulations to be adopted by the Governing Committee, including staff and financial regulations.⁴
4. The Commission also agreed that in order to facilitate the preparatory work, it would utilize an informal process involving all States and regional economic integration organizations (REIOs). It was agreed that, as an informal process, no decisions should be made, and efforts should be made to maintain the transparency and inclusiveness of the process by ensuring remote participation and by making a summary of the discussions available.⁵
5. The first meeting on the operationalization of the Advisory Centre (“AC-OP meeting”) was held from 2 to 4 December 2024 in Bangkok, Thailand at Siam Kempinski Hotel.⁶ At that meeting, the proposal by the Government of Armenia to host the second AC-OP Meeting in Yerevan from 6 to 8 May 2025 was welcomed.
6. The summary of the first AC-OP meeting was presented for discussion and exchange of view (A/CN.9/1196, paras. 19-30) during the first part of the fifty-first session of Working Group III (17-19 February 2025) without the Working Group taking any decisions on the summary.⁷

7. At that meeting, views diverged on whether the summary of the second AC-OP meeting should first be presented to the Working Group or could be presented directly to the Commission. In light of the divergence in views, it was agreed that the summary could be presented to the Commission at its upcoming session, where the Commission could further discuss whether the summaries of AC-OP meetings, would need to be presented to the Working Group every time for an exchange of views before the Commission takes any decision related to the possible outcomes of those meetings ([A/CN.9/1196](#), para. 30).

8. The invitations to the second AC-OP Meeting were dispatched on 20 March 2025 to all Member States of the United Nations via note verbale to the permanent missions. Invitations were also sent to relevant inter-governmental organizations. Registration deadline for in-person is 19 April 2025. Information about the meeting is being updated on the [dedicated webpage](#).
