I. Introduction

1. The Commission, at its fifty-first session in 2018, agreed that Working Group II should be mandated to take up issues relating to expedited arbitration. Accordingly, the Working Group commenced its consideration of issues relating to expedited arbitration at its sixty-ninth session (New York, 4–8 February 2019). From its seventieth (Vienna, 23–27 September 2019) to seventy-third session (New York, Online, 22–26 March 2021), the Working Group continued its deliberations on draft provisions on expedited arbitration.

2. The work aimed at improving the efficiency of the arbitral proceedings and expedited arbitration was described as a streamlined and simplified procedure with a shortened time frame, which made it possible to reach a final resolution of the dispute in a cost- and time-effective manner. The work also aimed to balance on the one hand, the efficiency of the arbitral proceedings and on the other, the rights of the parties to due process and to fair treatment. The draft provisions were eventually approved by the Working Group at its seventy-third session (A/CN.9/1049, paras. 14–66).

3. At the close of that session, the Secretariat was requested to prepare a revised version of the expedited arbitration provisions as well as the model clause and to present them to the Commission (A/CN.9/1049, para. 65). Accordingly, this note presents a draft of the UNCITRAL Expedited Arbitration Rules (the “Expedited Rules”) that would appear as an appendix to the UNCITRAL Arbitration Rules. It also presents a new paragraph to be inserted in article 1 of the UNCITRAL Arbitration Rules as well as annexes to the Expedited Rules (a model arbitration clause for contracts and a model statement).

4. With regard to the explanatory note to the Expedited Rules, the Secretariat was requested to prepare a revised version based on the comments received and present it to the Commission. Accordingly, the addenda to this note (A/CN.9/1082/Add.1) presents a draft of the explanatory note to accompany the Expedited Rules for consideration by the Commission. The Working Group recommended that it be mandated to finalize the explanatory note at its session in the second half of 2021, should the Commission not be in a position to finalize and adopt the explanatory note (A/CN.9/1049, para. 66).
