

An aerial, wide-angle photograph of a city, likely Melbourne, Australia, showing a large river (the Yarra River) winding through the urban landscape. The city skyline is visible on the left, with numerous skyscrapers and modern buildings. A bridge crosses the river in the foreground. The sky is clear and blue.

Vanuatu	
<i>Non-UN Member SIDS</i>	
Cook Islands	
Niue	
	High-Income SIDS
	Nauru
	Palau

The business and trade environment includes risks associated with:

- The climate emergency
- Remoteness
- Keeping up/catching up with technological advances profoundly and swiftly reshaping the business and trade environment.
