- We are separating the webinar speakers and listeners by room to ensure a comfortable experience.
- We ask that you connect 20 minutes before the start of the webinar.
- Please make sure your name in Zoom is your real name and not a nickname.
- The format of the event involves a question and answer session after the keynotes. If you want to ask a question of the speaker, you need to “raise your hand” in zoom (select Reactions and then Raise Hand). You will then be noticed in the chat by the session moderator, who will provide you with a link to the Q&A room. You will need to copy this link from the chat and enter the room that the moderator has provided to you as quickly as possible.
- Remember to check that your sound and video are turned on.
- The session moderator will greet you and give you the floor. After you have asked a question and received an answer, you can go back to the audience room and continue watching.
